The Skiatook Chamber of Commerce continually searches for ways to enhance your membership & add value.

While our Membership dues only make up 36% of our operating budget, our events & sponsorships fill in the gap to provide the final portion of it. An individual or business can invest in specific events while receiving recognition & benefits for that OR you can choose to be an Annual Sponsor.

With Annual Sponsorships, you can decide which package best fits your business. You can budget your event sponsorships in advance & make one annual investment **all while receiving year-long recognition.**

It's a win-win- you receive the added bonuses & simplicity of an annual investment & the Chamber benefits by the ability to schedule their events with confidence of your financial support in hand.

Be sure to read the discount and payment plan option!

- **The # in () is the availability for each event. These will be given on a first come, first serve basis- so don't wait.**
- **Everything listed under the package, before the options, is included.**
